JJCMHS 49th Annual Presentation Day
JJ Cahill Memorial High School

Excellence Respect Opportunity
About JJ Cahill Memorial High School

Our school is committed to its three core values of Excellence, Respect and Opportunity. Students can adhere to these values in many different fields, cultural activities, performing and creative arts or community services. All of these possibilities are underpinned by a welfare approach that emphasises good behaviour, values, self respect and responsibility to the school community. Students are encouraged to strive for their personal best in all aspects of their education and personal development.

Our school is a place where students feels happy, safe and secure and enjoy their time at school. They are encouraged to feel good about themselves and to develop positive relationships with others.

National Australian Anthem

Australians all let us rejoice,
For we are young and free;
We’ve golden soil and wealth for toil,
Our home is girt by sea;

Our land abounds in nature’s gift,
Of beauty rich and rare;
In history’s page, let every stage
Advance Australia Fair
In joyful strains then let us sing,
Advance Australia Fair.

Principal’s Report

What’s been happening at JJ in 2010?

OUR SCHOOL FACILITIES

We started off the year with the opening of our gymnasium, a significant occasion that heralded the facility being used seven days a week by both our students and community groups.

The outdoor covered area adjacent to the canteen was completed in Term One and the roof structure of the seating at the northern end of our school hall has recently been replaced to now include sections that allow in light. The costs for these structures totalled just under $30,000.

Our new cricket practice nets have recently been installed at a cost of just over $40,000. We are currently investigating the construction of a tennis court on the northern side of the school library and the installation of lights on our field to allow training to continue into the evenings.

In February, the storm that damaged our music block, wiped out an entire room with a roof collapsing and rendering much of our musical equipment as beyond repair. It has taken all year for the repairs to be carried out. Hopefully all the new musical instruments will be here by the start of 2011.

A wind storm later in the year saw the main gate blocked by one of our huge trees that upended itself and damaged the gate and an extensive section of the front fence along with another huge upended tree. At the time of writing this report I am still pestering our maintenance contractors to remove the remaining stumps!

OUR EDUCATIONAL OPPORTUNITIES

Our school was fortunate to gain National Partnership funding to target literacy and numeracy and raise the number of students achieving the national benchmarks in the NAPLAN tests (National Assessment Program for Literacy And Numeracy). Our teachers have been involved in intense professional development and continue to work closely with our students to focus on areas of weakness. We all look forward to seeing the improvements both in the school work and the NAPLAN results.

We continue in our endeavours to raise expectations and lift standards both in our classrooms and across the school.

The school recognised our high achievers in Sport at our recent Sports Assembly. Of note was Emma Turner who was awarded a Sydney East Sports Blue for her outstanding achievements in netball.

I congratulate all who are recognised today for their academic efforts and encourage all our students to do your personal best in all you do....seize the opportunity!
THE CHANGING FACES IN THE CLASSROOM AND OUR OFFICE

We bid farewell to the following staff members:

Ms Pauline Johnson who has worked in our office for many years has decided to retire and enjoy life looking after her grandchildren and the occasional overseas trip.

Mr Jurij Sadowskyj, Social Science teacher who has been at our school for close to thirty years, is to retire this coming January. We trust he will enjoy good health and enjoy the well earned opportunity to relax.

Ms Carmelina Presutto has extended her leave for another year and will not be returning. Ms Presutto is enjoying time with her new husband and her family.

Mr Nick Miroforidis who will be heading off to Sydney Distance Education to develop teaching resources for History and Modern Greek and guide students who study via the distance mode.

Mr Michael De La Pena, Science teacher who came to our rescue when Ms June Keys took leave. He now has a permanent appointment starting next year.

Ms June Keys has also announced that she will not be returning. She is currently enjoying caring for wildlife in need whilst she takes a slower pace and life away from her many students.

Ms Suzi Morgan who has taken further leave and has relinquished her position in the Support Unit.

Mr David Starrett, who assisted the HSIE faculty when Mr Gannon unexpectedly took leave at the beginning of the year.

Ms Maddison Loch, PD/H/PE teacher who replaced Mr Dean Cohen when he took up a position overseas.

Ms Sarah Lahood who temporarily replaced Ms Presutto this year and has taken up a permanent position.

Ms Zoe Williamson who has temporarily filled the position left vacant by Ms Reid and who will move to the far north coast to take up a permanent position.

Mr Kurt Weller, Maths teacher who replaced Ms Elizabeth Schibeci who took leave for a year. Mr Weller is returning to QLD to teach.

All will be sadly missed. We wish each of them well in the future and thank each of them for their contribution to the school and the education of its students.
Sadly, we heard of the passing of Mr Peter Gannon our recently retired Head Teacher HSIE (Human Society and Its Environment). Mr Gannon had been at our school since the early nineties and had made a significant contribution to the education of many of our students not only in the classroom but also in his unofficial and self appointed role as ‘Head Teacher of Sport’.

This was closely followed by the death of ex Deputy Principal, Mr Don Mitchell who many of our older staff had worked with, early this decade.

LOCAL SUPPORT FOR OUR SCHOOL
I warmly and gratefully acknowledge the following supporters for their contribution this year to the education of our students:

- PREMIER Kristina Keneally (who has personally donated to our school leadership program)
- PETER GARRETT Federal Minister for Education
- ABBOTT AUSTRALASIA
- AUSTRALIAN DEFENCE FORCES
- BOTANY BAY CITY COUNCIL
- DHL
- MASCOT STEEL
- REDFERN RSL
- SOUTH SYDNEY GRAPHIC ARTS CLUB
- SOUTHS JUNIORS
- SYDNEY CREDIT UNION
- THE FAMILY OF LEN SCHMIDT (our founding principal)
- UNIVERSITY OF NSW
- VIZZONE, RUGGERO AND ASSOCIATES

On behalf of the many students who have benefited through the generosity of these businesses and organisations I thank them for their support and practical assistance.

THANK YOU

To our parent helpers who have run our uniform shop this year. Thank you for your support and commitment.
To the parents who have joined our P&C to contribute and provide those extra resources and conduct events that make school a great place to learn. I thank our President, Ms Tina Phelps for her dedication and Ms Julie Gray and Ms Faye Vasilou who have recently been elected, in order, as secretary and treasurer. A big thank you to the P&C representatives who served on staff merit selection panels – Nina Chehade, Tina Phelps, Alexandra Jara and Wayne O’Brien.

To all staff, both teaching and administration, for the continued hard work and for all those extra things that many do above and beyond their duties.

To all students for their happy, smiling faces, their good manners and for the changes many have made in their attitude to learning.

To the many parents who have supported the school in so many ways and who have shown their appreciation for all that happens at our school. Your positive feedback encourages all to continue in our pursuit of excellence and makes the hard work worthwhile.

I trust all our families and supporters will have a wonderful break and wish them well for the festive season.
