J.J. Cahill Memorial High School would like to congratulate our new school leaders. George Dragosavljevic, Grant Maling, Lolita Pratikno and Juan-Ruan Van Den Burgh will drive the student body in achieving success in their academic, social, cultural and sporting endeavours. These young leaders exemplify the core values of J.J. Cahill Memorial High School, acting by example in demonstrating excellence, opportunity and respect in all aspects of school life.

Leadership at J.J. Cahill Memorial High School is fostered from year 7 when students have the opportunity to become part of the student representative council. With the guidance of the leadership coordinator and with the support of the entire school community, skills in public speaking, citizenship and charity are nurtured.

Being a student at J.J. Cahill Memorial High School is about being part of a diverse community that prepares students for success in the future. All students are prepared to be leaders of a 21st century world, as a personalised approach to education focuses on developing individual strengths to help all students become the best they can.

“As the school leaders of J.J. Cahill we pledge to raise awareness of charities that need extra help and to support the pursuit of excellence in our school and local community” - George Dragosavljevic.

The entire J.J. Cahill Memorial High School Community looks forward to continuing to nurture the leaders of tomorrow through the promotion of excellence, opportunity and respect.
